INTRODUCTION

Australasian College of Education and Training Pty Ltd (ACET) is a Registered Training Organization delivering nationally accredited and specialized industry training for people considering employment within the security, hairdressing, beauty, early childhood, building & construction, aged care, and health industries.

Our trainers and assessors play a major role in upholding our standing and reputation and enabling us to provide a quality service to our clients, customers and course participants. All Trainers have relevant industry knowledge and experience and are professional, friendly, supportive and dynamic individuals.

We acknowledge the importance of adult learning principles in the delivery of effective training. We believe that all students should be encouraged to take responsibility for their own learning and to understand that as learners, they have an active role to play in their training/learning and assessment process.

We endeavor to make our students feel as comfortable as possible whilst they are undertaking their training, so we keep our class sizes at a comfortable level to ensure an optimum learning environment is maintained. We ensure that all our students receive the in-depth learning and unlimited support they deserve. Any workplace training will ensure that the training is customized for that workplace.

LANGUAGE, LITERACY NUMERACY PRE-TRAINING REVIEW OBLIGATIONS

As part of its obligation as an RTO, Australasian College of Education and Training must determine the Language, Literacy and Numeracy (LLN) requirements of its students and their preferred learning style. Prior to the student commencing a qualification or a course, it is necessary to assess the ability of each student to complete their qualifications or course. If after assessment it is believed a student will have difficulties, it must be clearly identified by completing a LLN Form and reporting it to the Training and Compliance Manager. Strategies for dealing with this issue must then be determined.

Before a student commences training in an ACET's qualification or course, the following must have already been addressed and undertaken:

- Recognition of Prior Learning (RPL) and Credit Transfer (CT) - if a student has completed a request form for either RPL and /or CT, this will be noted clearly in the student's file,
- Language, Literacy and Numeracy (LLN) and Pre-training review Assessment. LLN testing is completed and if any decisions regarding adjustment of the training progress/appropriate modes of delivery and assessment actioned and documented in the student's file,
- Explanation of the qualification or course and schedule of training
- Assessment details and delivery modes
- Signing and dating of documents

UNIQUE STUDENT IDENTIFIER (USI)

The USI is a reference number made up of ten numbers and letters that:

- creates a secure online record of your recognised training and qualifications gained in Australia, from all training providers you undertake recognised training with
- will give you access to your training records and transcripts
- can be accessed online, anytime and anywhere
- is free and easy to create and
- stays with you for life

If you are a new or continuing student undertaking nationally recognised training, you need a USI in order to receive your qualification or statement of attainment. If you don't have a USI you will not receive your qualification or statement of attainment. Your USI will give you access to an online record of the training you have done since 1 January 2015. You will also be able to produce a comprehensive transcript of your training. This can be used when applying for a job, seeking a credit transfer or demonstrating pre-requisites when undertaking further training. For more information visit: <https://www.usi.gov.au/>.

CLASS TIMES

Classes are available from 8.30 am to 10.00 pm Monday to Friday and weekends. STUDENT SAFETY

Our College has a number of processes to provide a safe and secure learning environment to all students. These include hours of operation and access to staff to assist students where required.

When travelling to and from the College premises it is important to ensure your own safety at all times. The following are some tips to follow to ensure your safety and all staff are able to assist you with strategies to improve your safety.

Student Safety Tips

- Don't openly carry valuables, including iPods, mobile phones, laptops, etc.
- Find suitable and safe routes to petrol stations, shops and your local police station. Try to find routes that are well lit and busy.

- Avoid confrontation - it is better and safer to walk away if you are being provoked.
- If you feel you are being followed, cross the street, and if you are still worried, move as quickly as possible to a public area (such as a restaurant) and then telephone for help.
- At night, walk in pairs in well-lit areas and on busier streets, not dark alleyways and side-streets.
- Have your keys ready well before you reach the door of your car or house.
- If you are going away, tell someone you trust where you are going and when you will be back.
- If travelling by bus or tram at night, try not to wait alone at the bus or tram stops. Arrange for others to meet you at your home stop if you are returning late and have a long way to walk home.
- If you are travelling by train at night, do not sit in an empty carriage. Try to sit near groups of people in a well-lit area.
- Check the time of the last train, bus or tram home to avoid being stranded at night.
- Avoid walking alone after getting off public transport at night. If you can, walk close to a group of people or arrange for someone to meet you.

EMERGENCY AND EVACUATION

Australasian College of Education and Training Pty Ltd-ACET has developed emergency evacuation plans and procedures to ensure that staff and students can implement these plans and procedures to assist with minimising the effects of personal danger and injury.

Emergency plans and procedures are developed and displayed to enable staff and students to acquaint themselves with them, and become familiar with the requirements. Once implemented, all staff and students are required to comply with all requirements.

Evacuation plan

The existing evacuation plan shall be immediately adopted for any emergency.

If for any reason, it is not appropriate, an alternative method of maintaining safety should be considered and implemented.

Building Wardens

A warden system is in place. Hard hats are used to identify who is managing the evacuation.

A **white** hat is the Chief Warden and their responsibility is to manage the overall emergency/evacuation process. The first trainer assumes the role of the Chief Warden.

A **yellow** hat identifies an Area Warden, there is a yellow hat on each floor and it's their responsibility to assist the Chief Warden with the evacuation of their designated floor. Wardens are to be trained in the emergency management.

Evacuation assembly area

Assembly areas have been carefully identified to enable staff and students to report to an area where they can identify if any person may not have vacated the building.

HARASSMENT AND DISCRIMINATION

ACET will provide a workplace that is free from all forms of harassment and discrimination (including victimisation and bullying). Everyone, regardless of whether they are a student, trainer, administration or support staff, is entitled to expect the same rights.

- The rights of all individuals should be respected and confidentiality maintained;
- Complaints should be resolved by a process of discussion, cooperation and conciliation;
- Both the person making a complaint, and the person against whom the complaint has been made, has the right to receive information, support and assistance in resolving the issue.

Students have the responsibility to:

- Allow others to learn
- Make our premises safe by not threatening, bullying or hurting others in any way
- Make the classroom safe by obeying instructions
- Make our premises safe by not bringing illegal substances or weapons onto our premises
- Not steal, damage or destroy the property of others

ACET’S ASSESSMENT METHODOLOGY

Assessment: is the process of collecting evidence and making judgments on the extent and nature of performance and other requirements, as described in a set of standards, or learning outcomes, resulting in a judgment of whether or not competency has been demonstrated. Effective and objective assessment is key to the successful implementation of competency standards in the workplace and in education. This is the judgment of performance and knowledge against the relevant industry competency standards. Assessment is carried out by the comparison of a student’s evidence of skills and knowledge, against the requirements of the Standards,

Approach to assessment decisions in relation to assessment

Evidence of competency will be collected on a continuous basis throughout the unit. Assessments will be planned as per prescribed schedule. Students are required to be present at the scheduled

time of training and assessment. Students who do not have the knowledge and skills will not be ready for assessment,

In order to achieve competency in a unit, a student must satisfactorily meet the requirements of each assessment task. ACET uses the following assessment outcomes to make judgement for individual assessment tasks:

- Satisfactory (S) or
- Not yet Satisfactory (NYS)

and:

- Competent (C) or,
- Not Yet Competent (NYC)

to make an overall judgement about the entire unit.

The formal assessment includes a number of scheduled summative assessment activities. Students will have had sufficient time to practice their skills over a period of time and in different contexts prior to undertaking assessment,

The forms of evidence required for the summative assessments include combination of Three or more of the following:

- Written tests
- Practical assessments (Observations)
- Class presentations
- Projects/Reports/Case studies
- Activities

Re-Submission

Student will be eligible for re-submission if:

- further evidence of an assessment is required when the student has partially completed the assessments and some of the works can be completed and/or corrected, and,
- when the student has participated in the learning and classroom activities and undertook the given assessment tasks.

Re-submission of any part (question/s) of a re-assessment may be in writing and evidence must be included with the original or completed submission. Your assessor may choose to verbally question you to gain more evidence of your understanding for a question which you do not

answer successfully on the first attempt. The answers you provide verbally will then be added in the assessment and a record of this verbal questioning will be added by your trainer in the comments section on the assessment. For full details of this you should speak to your assessor.

Prior to any resubmission, students will be given feedback on the evidence they have already provided and/ guided as to the additional requirements to deem them competent in the unit. They may resubmit as often as/required to gain competence providing that resubmission can occur in a timely manner that is practical and reasonable for the Assessor to complete all the documentation required prior to completion.

Reassessment

If the student doesn't qualify for a re-submission or still deemed Not Yet Competent (NYC) after a re submission, he/she will need to go through a re-assessment process. All reassessments are subject to following conditions:

- Reassessments must be approved by the Training & Compliance Manager
- Re-assessment will occur only for those assessment task/s in which the student was deemed Not Satisfactory.
- Students will not be charged additional fees if:
 - I. the student is being reassessed during the allocated timeframe for a particular Unit of Competency.
 - II. the reassessment is being conducted as a result of an appeal.
 - III. if the student has not been able to attend the unit for genuine reasons and is ready to attend the unit according to the reassessment Time Table before the Term Break.
- Students will be charged reassessment fees if the student is being reassessed during Term Break Schedule.
- A charge of \$100 per reassessment will be levied for theory assessment and \$200 for practical assessment.
- Unless otherwise approved by the Training & Compliance Manager a student can sit a maximum of 2 reassessments in a week.
- The College has the right to charge a student \$ 100 reassessment fee if a student agrees to be reassessed, but fails to attend for the reassessment.

CREDIT TRANSFER (CT)

ACET acknowledges applications for credit transfer on the basis of AQF qualifications and statements of attainment issued by other registered training organisations. These include Universities, TAFEs, schools and private providers.

Credit Transfer means credit towards a qualification granted to students on the basis of outcomes gained by a student through participation in courses or nationally training package qualifications with another Registered Training Organisation.

Upon enrolment in a qualification or a course, a student's intention to recognize Credit Transfer (CT) of units of competence must be indicated at the initial enrolment process. ACET accepts and provides credit to learners for units of competency and/or modules (unless licensing or regulatory requirements prevent this) where these are evidenced by:

- AQF certification documentation issued by any other RTO or AQF authorised issuing organisation, or
- authenticated VET transcripts issued by the Registrar.

Credit Transfers will be granted upon the receipt of sufficient evidence to support the application and prior to the commencement of training.

RECOGNITION OF PRIOR LEARNING-RPL

Australasian College of Education and Training acknowledges 'non-traditional' forms of learning as valid pathways for recognition of competency achievement during the RPL assessment process.

The recognition of prior learning (RPL) process is an assessment process, which provides acknowledgement of all skills and knowledge gained through life experiences, work experience, previous training and formal education.

The RPL process examines the evidence within the following key principles:

- Adopting a focus on the competencies held rather than on how, when or where the learning occurred;
- demonstrated commitment to recognizing the prior learning of adults;
- providing access to the RPL process for all potential Students of courses;
- undertaking RPL processes which are fair to all those involved; and
- providing adequate support for all potential RPL applicants

The RPL assessment process includes the initial provision of information, support and counselling, formal application, assessment, post-assessment guidance and certification for students.

Students are informed of RPL at the time of the pre-enrolment interview/meeting and can elect to be considered for RPL by selecting the option available on the enrolment form.

The RPL process requires all competencies within a Unit of Competence (module) be evidenced. This evidence can take a variety of forms and is explained in the document titled 'RPL Application Form.'

Please note the following regarding RPL and CT:

- Both are to be identified before a student commences training, via the enrolment process
- If identified via enrolment that RPL/CT documentation is required, the student administration team will deposit the appropriate documents in the student's file for the Trainer/Assessor to action
- It is the role of the Trainer/Assessor to complete the RPL/CT process for all students
- The Trainer/Assessor is to decide what evidence is required and when it is to be provided (which is documented this and follow up within a designated timeframe)

Please note:

Australasian College of Education and Training Pty Ltd is not an Approved RPL Provider for the purpose of Victorian Training Guarantee funding.

ACADEMIC MISCONDUCT

Students at ACET are expected to maintain the highest standards of academic conduct. We know that most students conduct themselves with integrity and are disturbed when they observe others cheating. The following information should help you avoid unintentional academic misconduct and clarify the consequences of plagiarism and/or cheating.

Plagiarism:

Plagiarism is a form of cheating. It is taking and using someone else's thoughts, writings or inventions and representing them as your own. Plagiarism is a serious act and may result in a participant's exclusion from a module or a course. When you have any doubts about including the work of other authors in your assessments, please consult with your facilitator. The following list outlines some of the activities for which a participant can be accused of plagiarism:

- Presenting any work by another individual as one's own unintentionally
- Handing in assessments markedly similar to or copied from another student
- Presenting the work of another individual or group as their own work.
- Handing up assessments without the adequate acknowledgement of sources used, including assessments taken totally or in part from the internet.

Note: same penalties as with cheating will apply for any plagiarism.

QUALIFICATION/COURSE FEES AND CHARGES

Fees for training vary depending on the unit, course or qualification and whether you are taking up a government subsidised place or are paying as a fee for service student. ACET Fees and Charges for a particular unit, course, and qualification are published on the enrolment forms and relevant brochures.

Rules about fees-Government Funded Programs

The rules covering fees for government-subsidised vocational training places are the same, whether your provider is a TAFE institute, a university, or a private training provider.

Before you enrol in a qualification or course, you should expect to be told:

- what you will have to pay, itemised as a list
- about any concessions that may apply and what evidence you need to receive a concession
- about any conditions that may apply to refunds.

Concession fees-Funded Programs (Victoria)

Concessions are set at 20 per cent of the provider's published standard tuition fee. For example, if a provider usually charged a non-concession student \$5 per hour for a particular course, a concession student in the same course would only pay \$1 per hour.

For enrolments in courses at the Certificate IV level and below, the RTO must charge the concession fee to an individual who, prior to the commencement of training, holds a current and valid:

- a. Health Care Card issued by the Commonwealth;
- b. Pensioner Concession Card; or

3.0 Scope

2.1 This Policy applies to all ACET's current and potential students.

3.0 Definitions

3.1 **Plagiarism:** It is the act of presenting another persons' work as your own, and failing to acknowledging that the thought, ideas or writings are of another person. Specifically it occurs when:

- other people's work and/or ideas are paraphrased and presented without a reference;
- other students' work is copied or partly copied;
- phrases and passages are used verbatim without quotation marks and/or without a reference to the author or a web page;

Plagiarism is a considered academic dishonestly and is a form of cheating.

3.2 **Cheating:** To act dishonestly or unfairly in connection to an assessment conducted by the ACET,

3.3 **Academic Misconduct:** is any type of cheating that occurs in relation to a formal academic exercise. (In our policy Academic Misconduct refers to plagiarism [intentional or unintentional], collusion and cheating)

3.4 **Intentional Plagiarism:** involves the deliberate act of presenting someone else's work/ideas as if you wrote it yourself.

Examples of intentional plagiarism include:

- Copying problem answers from a classmate.
- Copying any assignments from a student in a previous year.

3.4 **Unintentional plagiarism:** Students often do not recognise unintentional plagiarism as plagiarism (Carroll, 2002). However, it is taking another's work and using as your own – because there is no acknowledgement of who has done the work. Unintentional plagiarism usually occurs because of a lack of understanding about what plagiarism is; and poor referencing, citing and quoting skills.

Examples of unintentional plagiarism include:

- failing to indicate that some text is a direct quote (quotation marks should be used);

5.4 Trainers and Assessors are required to undertake checks of students work for any plagiarised content or cheating that has occurred. This will be achieved through a sampling process. The ACET has determined that 5% of student work will be sampled for cheating and plagiarism.
